Subject: FERC - Capturing energy $$ savings in the rent
Date: Wednesday, June 15, 2016 5:24:01 PM

Mark, we had a short meeting today to discuss. The short version is we need you to meet with us, at your earliest convenience, in order to discuss the best way to capture the projected energy saving $$ in the rent. Once we are agreed in house we can set up a meeting with the Lessor. When are you available?
